The Perfect Christmas

BRONZE TURKEYS BOXES*

We continue to select the good old Free Range Bronze Turkey as it is far tastier, grown in a more ethical manner and far better all-round than the white turkey. Our Turkey Boxes come with delicious dry cured streaky bacon and our homemade pork chipolata sausages, essential trimmings to go with your festive feast.

We offer 4 different sizes of Festive Turkey Boxes for you to choose from or you may prefer to order your Bronze Turkey on its own by weight. All Turkeys will arrive fresh with the giblets. Please remove these on arrival and freeze them for using on Christmas Day. The bird will keep chilled until Christmas.

WILD GAME AND VENISON

The festive period is a great time to enjoy the bounty of the Scottish glens and forests, with plump roast Pheasant or delicate Wild Venison Striploin. We have the widest range of Wild Game and Venison and if it isn't listed here, call us. We have a few of the more unusual birds too.

All our game is fresh and wild, so supply can sometimes be unpredictable. Up to date information is available on the website. All birds are sent out dressed and oven-ready.

Recipes on www.blackface.co.uk

All game may contain shot.

GIFT VOUCHERS

A great idea for a gift so that your friend can choose their own items. We can create a voucher for any amount or choose one of the options on the website.
